

Career Pilot

Careerpilot is a free website that helps young people plan their future study and work. It is a great resource for young people, their parents/carers and also teachers and tutors, who are advising students about the full range of options.

Parents have access to the **Careerpilot Parent Zone** - which has answers to questions parents are frequently asking with advice and additional useful links so they feel informed and able to support their young person prepare for their future study and career.

Employers

We are strongly committed to offering our students an ever-evolving careers provision. We encourage regular input from local and national employers, for the purposes of inspiring students to believe in themselves, to support students to achieve outstanding results, and to advise students on how to become successful members of the local, national and international community.

If you would like to be involved in our careers provision at Monkton Wood Academy please contact Louise Husband, Assistant Principal on info@mwa.clf.uk

We have numerous ways in which you can be involved including, but not limited to the following opportunities:

- Guest speaker Assemblies (whole school or target audience)
- Involvement with our Careers Fair
- Workshops
- Careers and Employability lessons
- “Pop up shops” (informal lunchtime information and advice stands)
- Staff Professional Development
- Offering Work Experience placements

Teachers

For more information and advice on careers at Monkton Wood Academy please see the Onedrive Careers folder for teachers
