## Purpose of the plan

This plan examines potential risks and issues that could cause disruption to the examination and assessment process at Monkton Wood Academy. By outlining actions/procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our processes.

Alongside internal processes, this plan is informed by the Ofqual (and Northern Ireland Council for the Curriculum, Examinations and Assessment) **Exam system contingency plan: England, Wales and Northern Ireland** which provides guidance in the document *What schools and colleges and other centres should do if exams or other assessments are seriously disrupted*, the **JCQ Joint Contingency Plan** for the Examination System in England, Wales and Northern Ireland and the JCQ document **Preparing for disruption to examinations**.

This plan also confirms Monkton Wood Academy's compliance with JCQ's **General Regulations for Approved Centres** (GR 5.3) that the centre has in place for inspection that must be reviewed and updated annually by a member of the senior leadership team and communicated within the centre:

- a contingency plan which covers all aspects of examination/assessment administration and delivery.

## Contingency arrangements

In accordance with the regulations (GR 3.17-19), Monkton Wood Academy **must** have an up to date written contingency plan.

The contingency plan **must** cover all aspects of examination/assessment administration and delivery. Senior leaders **must** have robust contingency arrangements in place that will minimise the risk to examination/assessment administration and delivery and any adverse impact on candidates.

The plan must cover the following scenarios:

- the head of centre, relevant senior leader(s) with oversight of examination and assessment administration, SENCo (or equivalent role), examinations officer or any other key staff essential to the examination process being absent at a critical stage of the examination cycle
- the potential impact of other events such as flooding which could lead to all or parts of the centre becoming unavailable
- potential issues with the centre's IT systems

As part of the contingency plan the centre **must** identify an alternative site or alternative sites which can be used if examinations cannot be conducted at the registered address. Larger centres may require more than one potential alternative site or different sites for different year groups.

Monkton Wood Academy **must** have at least one senior member of staff (senior designated contact) who is available to manage emergency requests from awarding bodies that are results related during the summer holidays. However, a number of contacts can be provided to reduce the risk of this falling on one individual throughout the summer holidays.

Monkton Wood Academy **must** ensure where candidates' work is produced electronically it is backed-up and should consider the contingency of candidates' work being backed-up on two separate devices, including one off-site back-up via the Cloud. Appropriate security arrangements must be implemented which protect candidates' work in the event of IT system corruption and cyber-attacks.

## National Centre Number Register and other information requirements

In accordance with the regulations (GR 5.3), the head of centre will ensure that Monkton Wood Academy completes the National Centre Number Register annual update by the end of October every year (even if there are no changes to centre details) which includes providing senior designated contact details (this might include a personal mobile number and/or email address). These must be the contact details of

someone who can be reached in an emergency if the centre is closed over the summer and who can mobilise resources to respond to the issue.

## **Head of centre/senior leader(s) with oversight of examination and assessment administration absence at a critical stage of the exam cycle**

Where the head of centre/ senior leader may be absent at a critical stage of the examination cycle, main duties and responsibilities will be escalated in accordance with the centre's written escalation process.

Centre actions to mitigate the impact of the disruption

- (This will include the required arrangements for cyber security)  
(GR 3.21) Ensure there are procedures in place to maintain the security of user accounts by:
  1. ensuring that all members of centre staff who access awarding bodies' online systems undertake annual cyber security training...  
... The training must include:
    - the importance of creating strong, unique passwords for all accounts;
    - keeping all account details strictly confidential;
    - the critical role of Multi-Factor Authentication (MFA) in protecting against unauthorised access;
    - how to properly set up and use MFA for both centre and awarding bodies' systems;
    - an awareness of all types of social engineering/phishing attempts;...
    - the importance of staff quickly reporting any suspicious activity, events, incidents and encouraging a safe and supportive reporting culture.

Certificates of completed staff cyber training must be downloaded and held on file for inspection. The NCSC training resource provides a certificate of completion of cyber training.
  2. developing and maintaining a comprehensive cyber security policy for the centre. The National Cyber Security Centre (NCSC) provides resources to assist centres in creating such policies;
  3. implementing and enforcing robust security measures, including:
    - mandatory MFA for all accounts and systems containing exam-related information, including those that interface between awarding body and centre systems, to enhance security and protect sensitive data;

## 9. Disruption of teaching time in the weeks before an exam – centre closed for an extended period

### Criteria for implementation of the plan

*Centre closed or candidates are unable to attend for an extended period during normal teaching or study supported time, interrupting the provision of normal teaching and learning*

### Centre actions to mitigate the impact of the disruption

- Where there is disruption to teaching time and students miss teaching and learning, it remains the responsibility of centres to prepare students, as usual, for examinations.  in the case of modular courses, centres may advise candidates to sit examinations in an alternative series.  centres should have plans in place to facilitate alternative methods of learning.

## 10. Candidates may not be able to take examinations - centre remains open

### Criteria for implementation of the plan

*Candidates may not be able to attend the examination centre to take examinations as normal because of a crisis*

### Centre actions to mitigate the impact of the disruption

- (Centres' contingency plans should focus on options that enable candidates to take their examinations)

Consider moving the starting time of the examination for all candidates (see section 6.2 of the JCQ document Instructions for conducting examinations)  Be aware of the rules for very late arrivals (see section 21 of the JCQ document Instructions for conducting examinations)  Wherever possible, it is always in the best interest for candidates to sit the examination. However, special consideration is an option where a candidate is unable to sit the examination (see Chapter 4 of the JCQ document A guide to the special consideration process)  The relevant awarding body should be contacted if additional support or guidance in the event of disruption to examinations is required

- Explore alternative locations

### **11. Centre may not be able to open for examinations**

(Including in the event of the centre being unavailable for examinations owing to an unforeseen emergency)

#### Criteria for implementation of the plan

*Centre may not be able to open as normal for scheduled examinations*

#### Centre actions to mitigate the impact of the disruption

- (Centres' contingency plans must focus on enabling candidates to take their examinations if the centre is at risk of not being able to open as normal)

(This could include implementing alternative arrangements for the conducting of examinations and notifying the JCQ Centre Inspection Service of an alternative site arrangement by submitting the JCQ Alternative Site form online, using the Centre Admin Portal (CAP).)

The decision on whether it is safe for a centre to open lies with the head of centre who is responsible for taking advice or following instructions from relevant local or national agencies  Special consideration is an option if all other avenues have been exhausted and candidates meet the published criteria  The relevant awarding body should be contacted if additional support or guidance in the event of disruption to examinations is required

Alternative site(s) details: TMAC, West Monkton Primary School or other CLF Academy (primary provisions)

### **12. Disruption in the distribution of examination papers**

#### Criteria for implementation of the plan

*Disruption to the distribution of examination papers to the centre in advance of examinations*

#### Centre actions to mitigate the impact of the disruption

- awarding organisations to provide centres with electronic access to examination papers via a secure external network. Centres would need to ensure that copies are received, made and stored under secure conditions and should have plans in place to facilitate such an action. Awarding organisations would provide guidance on the conduct of examinations in such circumstances.  as a last resort, and in close collaboration with centres and regulators, awarding organisations to consider scheduling of the examination on an alternative date

### **13. Delay in collection arrangements for completed examination scripts**

#### Criteria for implementation of the plan

*Delay in normal collection arrangements for completed examination scripts/assessment evidence*

#### Centre actions to mitigate the impact of the disruption

- ( where examinations are part of the national 'yellow label' service or where awarding bodies arrange collections, centres should contact the relevant awarding bodies for advice and instructions  
 for examinations where centres make their own collection arrangements, they should investigate alternative options that comply with the JCQ document Instructions for conducting examinations  
 centres to ensure secure storage of completed examination scripts until as close to the collection time as possible)

#### **14. Assessment evidence is not available to be marked**

##### Criteria for implementation of the plan

*Large scale damage to or destruction of completed examination scripts/assessment evidence before it can be marked*

*Completed examination scripts/assessment evidence does not reach awarding organisations*

##### Centre actions to mitigate the impact of the disruption

- awarding organisations to generate candidate marks for affected assessments based on other appropriate evidence of candidate achievement as defined by the awarding organisations  
 where marks cannot be generated by awarding organisations candidates may need to retake affected assessment in a subsequent assessment series

#### **15. Centre unable to distribute results as normal or facilitate post results services**

(Including in the event of the centre being unavailable on results day owing to an unforeseen emergency)

##### Criteria for implementation of the plan

*Centre is unable to access or manage the distribution of results to candidates, or to facilitate post-results services*

##### Centre actions to mitigate the impact of the disruption

- Distribution of results:  centre to make arrangements to access its results at an alternative site, in agreement with the relevant awarding organisation  
 centres to make arrangements to coordinate access to post results services from an alternative site  
 centres to share facilities with other centres if this is possible, in agreement with the relevant awarding organisation.
- Facilitation of post results services:  centre to make arrangements to make post results requests at an alternative location  
 centres to contact the relevant awarding organisation if electronic post results requests are not possible

### Meeting digital and technology standards in schools and colleges

[Cyber Security Standards for schools and colleges](#)

Ofqual

#### What schools and colleges and other centres should do if exams or other assessments are seriously disrupted

This document was updated in October 2023 to include Ofqual's final decisions on long-term resilience arrangements, and the Department for Education (DfE)'s guidance for education settings with confirmed reinforced autoclaved aerated concrete (RAAC),

In addition to this guidance, you will need to be aware of your specific responsibilities for local and national school preparations and contingencies. You should also follow advice from relevant public health bodies.

#### Contingency planning

Awarding organisations are required to establish, maintain and comply with an up-to-date detailed written contingency plan, to mitigate any incident they have identified may occur. This includes having communication plans for external parties ([Ofqual General Condition of Recognition A6](#)). Schools and colleges should also be prepared for possible disruption to exams and assessments and make sure staff are aware of these plans.

#### Disruption to assessments or exams

In the absence of any instruction from the relevant awarding organisation, you should make sure that any exam or timetabled assessment takes place if it is possible to hold it. This may mean relocating to alternative premises. You should discuss alternative arrangements with your awarding organisation if:

- the exam or assessment cannot take place
- a student misses an exam or loses their assessment due to an emergency, or other event, outside of the student's control

You may also wish to see the [JCQ's notice to centres on exam contingency plans](#) and [JCQ's notice on preparing for disruption to examinations](#) in England, Wales and Northern Ireland for qualifications within its scope.

#### Steps you should take

##### Exam planning

Review your contingency plans well in advance of each exam or assessment series. Consider how, if the contingency plan is invoked, you will comply with the awarding organisation's requirements.

Schools, colleges and other exam centres must speak to the relevant awarding organisations as soon as possible if they are expecting any disruption that might affect the sitting of exams and assessments.

##### In the event of disruption

1. Contact the relevant awarding organisation and follow its instructions.
2. Take advice, or follow instructions, from relevant local or national agencies in deciding whether your centre is able to open.
3. Identify whether the exam or timetabled assessment can be sat at an alternative venue, in agreement with the relevant awarding organisation, ensuring the secure transportation of questions papers or assessment materials to the alternative venue.
4. Where accommodation is limited, prioritise students whose progression will be severely delayed if they do not take their exam or timetabled assessment when planned.
5. In the event of an evacuation during an examination please refer to JCQ's [Centre emergency evacuation procedure](#).
6. Communicate with students, parents and carers any changes to the exam or assessment timetable or to the venue.
7. Communicate with any external assessors, invigilators or relevant third parties regarding any changes to the exam or assessment timetable.

##### After the exam

1. Consider whether any students' ability to take the assessment or demonstrate their level of attainment has been materially affected and, if so, apply to the relevant awarding organisation for special consideration.

2. Advise students, where appropriate, of the opportunities to take their exam or assessment at a later date.
3. Ensure that scripts are stored under secure conditions.
4. Return scripts to awarding organisations in line with their instructions. Never make alternative arrangements for the transportation of completed exam scripts, unless told to do so by the awarding organisation.

## **Steps the awarding organisation should take**

### **Exam planning**

1. Establish and maintain, and at all times comply with, an up-to-date, written contingency plan.
2. Ensure that the arrangements in place with centres and other third parties enable them to deliver and award qualifications in accordance with their conditions of recognition.

### **In the event of disruption**

1. Take all reasonable steps to mitigate any adverse effect, in relation to their qualifications, arising from any disruption.
2. Provide effective guidance to any of their centres delivering qualifications.
3. Ensure that where an assessment must be completed under specified conditions, students are able to complete the assessment under those conditions (other than where any reasonable adjustments or special considerations require alternative conditions).
4. Promptly notify the relevant regulators about any event which could have an adverse effect on students, standards or public confidence.
5. Coordinate its communications with the relevant regulators where the disruption has an impact on multiple centres or a wide range of learners.

### **After the exam**

Consider any requests for special consideration for affected students; for example, those who may have lost their internally assessed work or whose performance in assessments or exams could have been affected by the disruption.

### **If any students miss an exam or are disadvantaged by the disruption**

If some of the students have been adversely affected by the disruption, you should ask the awarding organisation about applying for special consideration.

Decisions about special consideration, when it is or is not appropriate, is for each awarding organisation to make. Their decisions might be different for different qualifications and for different subjects, depending on their specific policies.

See also [JCQ's guidance on special consideration](#)

### **Wider communications**

The regulators, [Ofqual](#) in England, [Qualifications Wales](#) in Wales and [CCEA Regulation](#) in Northern Ireland, will share timely and accurate information, as required, with awarding organisations, government departments and other stakeholders.

The [DfE in England](#), the [DfE in Northern Ireland](#), and the [Welsh Government](#) will inform the relevant government ministers as soon as it becomes apparent that there will be significant local or national disruption, and ensure that they are kept updated until the matter is resolved.

Awarding organisations will alert the [Universities and Colleges Admissions Service](#) (UCAS) and the [Central Applications Office](#) (CAO) about any impact of the disruption on their deadlines and liaise regarding student progression to further and higher education.

Awarding organisations will alert relevant professional bodies or employer groups if the impact of disruption particularly affects them.

### **Widespread national disruption to the taking of examinations or assessments**

As education is devolved, in the event of any widespread sustained national disruption to examinations or assessments, national government departments will communicate with regulators, awarding organisations and centres prior to a public announcement. Regulators will provide advice to government departments on implications for examinations and assessments, including exam timetables.

In September 2023, Ofqual and the DfE published [joint consultation decisions on long-term resilience arrangements](#). As in 2023, Ofqual has provided [guidance on collecting evidence of student performance to ensure resilience in the qualifications system](#) for students entering GCSEs, AS and A levels, the Advanced Extension Award and Project qualifications. For VTQs and other qualifications used alongside or instead of GCSEs, AS and A levels, awarding organisations will provide guidance where needed and will contact schools and colleges with more information.

In December 2022, Qualifications Wales published [guidance for contingency assessment arrangements](#) for GCSEs, AS and A levels and Skills Challenge Certificates in the event that a national decision is made to cancel exams. This guidance is still relevant for the current academic year.

The DfE has updated its guidance on [handling strike action in schools](#) in England in light of the industrial action in 2023. The guidance recommends schools should prioritise the running of examinations and assessments on any strike days, and should review their contingency plans to make this happen. Schools, colleges and other exam centres must speak to the relevant awarding organisations if they are expecting any disruption that might affect the sitting of exams and assessments.

The DfE has also issued [guidance for education settings with confirmed reinforced autoclaved aerated concrete \(RAAC\)](#) in their buildings. It includes the need for contingencies for possible disruption to examinations and links to the existing emergency planning guidance.

We will update this page as necessary, with any further relevant links, should national disruption occur.

## **JCQ**

### **15. CONTINGENCY PLANNING**

15.1 The qualification regulators, awarding bodies and government departments responsible for education have prepared and agreed information for schools and colleges in the event of examinations being seriously disrupted. This jointly agreed information will ensure consistency of response in the event of major disruption to the examinations system affecting significant numbers of candidates.

Further information may be found at: <https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland>

15.2 In addition, awarding bodies have their own well-established contingency plans in place to respond to disruptions. It is important that exams officers who are facing disruption liaise directly with the relevant awarding body or bodies.

15.3 All centres must have a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or where the head of centre, examinations officer or SENCo is absent at a critical stage of the examination cycle. The examination contingency plan should reinforce procedures in the event of the centre being unavailable for examinations owing to an unforeseen emergency.

All relevant centre staff must be familiar with the examination contingency plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.

15.4 If the event that the head of centre decides the centre cannot be opened for scheduled examinations, the centre's contingency plan must be invoked, utilising the centre's alternative site(s) and the relevant awarding bodies must be informed as soon as possible. Awarding bodies will be able to offer advice regarding the

alternative arrangements for conducting examinations that may be available and the options for candidates who have not been able to take scheduled examinations.

15.5 The awarding bodies will designate 'contingency sessions' for examinations, summer 2026. This is consistent with the qualification regulators' document *Exam system contingency plan: England, Wales and Northern Ireland*: <https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland>

15.6 The designation of 'contingency sessions' within the common examination timetable is for use in the event of national or significant local disruption to examinations. It is part of the awarding bodies' standard contingency planning for examinations.

15.7 In the event of national disruption to a day of examinations in summer 2026, the awarding bodies will liaise with the qualification regulators and government departments to agree the most appropriate option for managing the impact. As a last resort, the affected examinations will be rescheduled. Although every effort would be taken to keep the impact to a minimum, it is possible that there could be more than one timetable date affected following the disruption, up to and including the last contingency day. Centres will be alerted if it is agreed to reschedule the examinations and the affected candidates will be expected to make themselves available in such circumstances. The decision regarding the rescheduling of examinations will always rest with the awarding body. The centre must conduct the examination on the scheduled date unless instructed to do otherwise by the awarding body.

Where candidates choose not to be available for the rescheduled examination(s) for reasons other than those traditionally covered by special consideration, they will not be eligible for enhanced grading. Centres **must**, therefore, ensure candidates and parents are aware of the contingency arrangements so that they may take them into account when making their plans for the summer.
